

SUMMER 2018 NEWSLETTER

Hey ASCE San Luis Obispo Branch, it's YMF's first newsletter! We have a few great events coming up this summer, along with some important announcements. Check them out below.

Announcements

Congrats to the New PEs!

YMF would like to congratulate everyone who passed the spring PE exams and got their license! We know how much work you put in to studying to pass the difficult tests. Tell us the good news at the next happy hour social and maybe someone will buy you a round.

YMF Website

We're putting our brand new website online soon! Our website will include a description of what YMF does, our upcoming and past events, featured YMF members, and links to various resources. Big thanks to our webmaster, Nivedha Baskarapandian for putting it all together. We'll let you know when it's live.

YMF Events Survey

We want to know what you, our local young professional civil engineers, are looking to get out of ASCE YMF, so we put together a brief survey to get your input and to find out more about who you are and what events can be tailored to you. Do you like happy hour socials? Or maybe want to go camping with some fellow engineers? Don't know how to apply for the PE and want to find out? Tell us in our [survey](#) and be entered in a drawing to win a \$15 Starbucks gift card. Deadline to complete the survey is June 30, 2018.

Upcoming Events

Here's what YMF has planned for June and July:

Taco Tuesday/Happy Hour Social
